

John Wilson is the founder and President of J.C. Wilson Associates. John has personally specialized in searches for the financial services, advanced technology and biotech sectors at the CEO, COO, CFO, Controller, Treasurer and Head of Corporate Development levels.

Before starting this specialist search boutique, John was a senior Partner with Korn/Ferry International, where he founded and, for five years, ran that firm's CFO practice in the U.S. He also was a senior Partner in their Financial Services Practice. Prior to Korn/Ferry, John spent 10 years as a Managing Director at Russell Reynolds Associates in San Francisco and Hong Kong. During his first six years at Russell Reynolds, he was the Managing Partner in charge of their Hong Kong and Singapore offices.

During his 16-plus years as a recruiting consultant, John has successfully recruited several hundred senior executives, including CEOs, General Managers, functional heads and heads of geographic regions for a wide variety of organizations in the U.S. and the Asia/Pacific region.

John's experience prior to his entering the executive search industry included managing the Asia/Pacific region for the Bank of Montreal. Earlier, he spent 10 years in progressively senior management positions for Citibank in Hong Kong, Malaysia and Singapore.

John holds a BS degree from St. Joseph's University in Philadelphia and an MBA in International Finance from The George Washington University. He was Captain and Most Valuable Player of his college tennis team. John is also an avid fly fisherman and an accomplished mountaineer, having successfully summited six of the world's Seven Summits.
